

PDA in Strategic Leadership at SCQF level 11

Who does this qualification suit

The PDA in Leadership is intended for people who are currently in a leadership role in your organisation providing direction and achieving results and you are also improving organisational performance on an on-going basis.

Benefits

PDA in Strategic Leadership is a demanding PDA at SCQF level 11 and will help you:

- Develop your leadership skills by providing direction to people in your organization by inspiring, motivating and supporting them to achieve what your organisation has set out to do.
- Oversee continuous improvement of the overall performance of the organisation.
- Identify and implement changes which will add value in the eyes of the customer and other key stakeholders.
- Acquire underpinning knowledge and understanding on theories and practice of leadership

Structure

The PDA in Leadership at SCQF level 11 consists of two Units, both of which are mandatory:

MSC Unit code	Unit title	SCQF credit points	SCQF level
H8GW 04	Lead your Organisation (BA1)	13	11
HK3G 04	Manage Continuous Improvement (FE5)	14	11

The PDA is completed by you gathering evidence and uploading this onto our web based portfolio. You will be supported by an assessor throughout completion of the qualification.
